

# Tricky Kids, Parents and People

## For All Teachers

Teachers have more difficult conversations in a single day than most professions. Knowing how to calm the agitated, soothe the ruffled, embolden the perfectionists and keep yourself sane is a job in and of itself. This day aims to provide with the skills to detect and intervene with tricky people in all areas of your life.

Topics covered will include:

- Engaging tricky kids, surviving tricky people
- Understanding your own vulnerability to tricky people
- Common types of tricky kids and people (and the tricky situations they get in to)
- Effective communication and conflict resolution methods
- Ways to use their energies for positive outcomes
- Neuro – chemistry and behavioural change

## Presented by Andrew Fuller

*Andrew Fuller is someone who 'puts the heart back into psychology'. He works with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families. He is a Clinical Psychologist with over 25 years' experience, Fellow of the Department of Psychiatry and Department of Learning and Educational Development at the University of Melbourne and a scientific consultant for the ABC. He has also been a principal consultant to the national drug prevention strategy and is a member of the National Coalition Against Bullying.*

*Andrew is a popular author and has also co-authored a series of programs for promotion of resilience and emotional intelligence used in over 3,500 schools in Britain and Australia.*

*Andrew has established programs for promotion of mental health in schools, substance abuse prevention, and reduction of violence and bullying, suicide prevention programs and for assisting homeless young people and continues to counsel young people.*
